

# ***CHILD ADMISSION POLICY***

## ***N.B. ALL CUSTOMERS***

All Children under the age of 14 must always be accompanied in the water for unprogrammed swimming. A maximum of two children under 8's per adult are permitted.

We recommend that under 4s or those with specific additional medical or other needs should be accompanied by a parent or responsible adult on a 1:1 basis

Children can only use pool with an adult or over 16s supervision and must remain in pool with child at all times

It is the responsibility of the adult to:

- Provide safe supervision of their children always
- Remain in the water with their children at all times while maintaining a constant watch and be within arm's length of their children who are weak and non-swimmers.
- Ensure that all non/weak swimmers wear appropriate floatation aids if required

**Parents and guardians should be aware that The Court Hotel Leisure Centre changing facilities are open plan, but not unisex. Parents should decide when it is appropriate to have children use changing rooms of the opposite gender, however we also have to consider that all our members should be able to feel comfortable when using changing rooms, we ask parents to be sensitive to this.**
